simax[®]

Known for its elegance and durability, marble is formed deep within the Earth as limestone undergoes a transformation under high pressure and heat, resulting in stunning, one-of-a-kind patterns.

marble accessories

Much like natural marble, our products are crafted through careful material selection and cutting-edge technology. Bringing a natural touch to your home, our accessories mimic the look of marble, offering a timeless design in line with today's kitchen trends.

hot &
cold

Each piece is unique, celebrating marble's natural beauty, while the glass component guarantees pristine clarity. This seamless fusion of natural materials and modern design produces products that are both aesthetically pleasing and exceptionally practical.
